Shakopee, MN -- Streak N Hot, a 3-year-old Minnesota-bred by Hotdoggin out of Streak N Sierra, prevailed in the \$22,050 Cash Caravan Stakes Sunday at Canterbury Park. The victory was the first of the season for the colt bred, owned and trained by Dale Haglund of Brooten, MN. Streak N Hot had three wins at Canterbury in 2011, including the Minnesota Futurity. Streak N Hot broke alertly, veered out mid-race, but was able to slowly pull ahead of Six It Up to secure the victory by a neck, covering the 440-yard distance in 22.421 seconds. He returned \$6.20 to win.

“I think I spotted them about \$8,500 in stud fees in that race but he came through,” Haglund said. “I just shipped him in this morning, 135 miles from home. Doing that last year as a 2-year-old was really something so I knew he could handle it.”

Streak N Hot was ridden by Doug Frink. “I took one hand off to cock the stick and he bolted on me. But I got him straight and he could have run forever.”

Streak N Hot will most likely make his next start in the Minnesota Quarter Horse Derby on Sunday, September 2 in the Minnesota Festival of Champions. He could become the third quarter horse in Canterbury Park history to complete the sweep of the 2-year-old and 3-year-old Minnesota Festival of Champions quarter horse races joining Cracklin Cash (1999 and 2000) and CS Night Light (2004 and 2005).

Haglund trained Cash Caravan for a time during the gelding's impressive career which featured seven wins at Canterbury Park, second all-time.
