Summary

Beginning February 6, 2020, \$10 Super Satellite contests will be held each week through April 4 that will qualify players for a \$100 entry fee to the Spring Tune-Up Satellite Contest on Saturday, April 11, 2020 which will award entries to the Dog Days and Ultimate NHC Qualifier contests in September 2020.

Players will be allowed to play in three \$10 Super Satellite contests each week choosing from Thursday, Friday, and/or Saturday with the highest individual score from each three-day contest period determining the winner. Three selected tracks (eight races at each track) are offered each Thursday, Friday, and/or Saturday. Players can enter three contests in one day (no more than one entry per track per day) if they so choose but total entries for a contest week cannot exceed three. Each entry is \$10 per contest track with a limit of three per week.

Each week, one winner for every 10 entries will receive a \$100 entry to the April 11 Spring Tune-Up Satellite. The Super Satellite contest format requires entrants to select one horse in each of the eight contest races and submit the selections before entry deadline. Points will be awarded for selections based on the official mutuel payoffs based on a mythical \$20 across-the-board wager. Entrants must be 21 years of age or older.

The highest score from each three-day contest period will determine the winner. For example, Player A may have the highest score of 800 on Thursday of the contest period but would not beat Player B who scores 900 points on the Saturday of the same contest period.

Scores will not be posted until the end of the contest period.

Duration

The three-day contest periods will begin on Feb. 6, Feb. 13, Feb. 20, Feb. 27, March 5, March 12, March 19, March 26, and April 2.

Entry

Official entry forms will be available at the third level Information Center each contest day. Entrants must complete the entry form and submit it along with the \$10 fee prior to the entry deadline.

How to Play

Each contest day, three selected tracks are offered. Each contest track will have eight contest races. Each entry form will list the tracks and contain the contest races from the tracks. Players pick one horse in each race. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical \$20 across-the-board wager. No changes will be allowed once entries have been submitted. Players can enter up to three times per contest week.

Awarding Points

Points will be awarded based on the official outcome of the race card at the contest track. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical \$20 across-the-board wager. For example: If a player's selection finishes first and the official mutuel results are as follows: \$6.00 to win; \$4.00 to place; \$2.40 to show, the player will receive 124 points. If a player's selection finishes second and returns \$15.00 to place; and \$8.80 to show, the player would receive 238 points.

The maximum point payoffs per race for win, place, and show will be capped in the following manner. The maximum points possible for win will be 600 points, for place 400 points; and for show 200 points.

The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period.
