

**Summary:**

Beginning October 3, 2024, \$10 Super Satellite contests will be held each week through December 14 that will qualify players for an entry fee to the One Shot NHC Qualifier Contest on December 21, 2024 which will award entry, \$400 for travel expense, and accommodations to the National Horseplayers Championship in 2025. Players will be allowed to play in three \$10 Super Satellite contests EACH series choosing from Thursday, Friday, and/or Saturday.

In each series each week the highest individual score from each three-day contest period determines the winner of that series. Three selected tracks (eight races at each track) are offered each day of the series. **Players can enter three contests in one day** (no more than one entry per track per day) if they so choose but total entries for a contest series cannot exceed three. Each entry is \$10 per contest track with a limit of three per series.

Each week, **one winner for every 10 entries** will receive an entry to One Shot NHC Qualifier Contest on December 21, 2024. The entry is valued at \$100. **Winners must provide \$50 NHC Tour ID to play on December 21.** NHC ID is not included in prize.

The Super Satellite contest format requires entrants to select one horse in each of the eight contest races and submit the selections before entry deadline. Points will be awarded for selections based on the official mutuel payoffs based on a mythical \$20 across-the-board wager. Entrants must be 21 years of age or older.

The highest score from each three-day contest period will determine the winner. For example, Player A may have the highest score of 800 on Thursday of the contest period but would not beat Player B who scores 900 points on the Saturday of the same contest period.

Scores will not be posted until the end of the contest period.

**Awarding Points:**

Points will be awarded based on the official outcome of the race card at the contest track. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical \$20 across-the-board wager. For example: If a player’s selection finishes first and the official mutuel results are as follows: \$6.00 to win; \$4.00 to place; \$2.40 to show, the player will receive 124 points. If a player’s selection finishes second and returns \$15.00 to place; and \$8.80 to show, the player would receive 238 points.

The maximum point payoffs per race for win, place, and show will be capped in the following manner. **The maximum points possible for win will be 600 points, for place 400 points; and for show 200 points. The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period.**

**The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period.**

Extra entry fees from each period will be divided with 60% being paid to the player with the highest score that did not win a Dec. 21 entry each period; 40% will be aggregated over the entire contest span and will be paid as a bonus to the player that scores the highest individual contest score over the entire contest span.
